

# AAT Live Learning Success

## AAT Level 3 online classroom tuition courses, weekend, evening and weekday

Delivered live using Microsoft Teams (maximum of 10 participants) and from £29 per session

### Classroom courses

Each classroom course uses expert AAT tutors and study material to provide live tuition to a maximum of 10 delegates for each course. Classroom courses provide a series of 2-hour course sessions (live) using Microsoft Teams. Each 2-hour session typically includes 40 minutes of tutorial, 60 minutes of interactive group exam question practice and 20 minutes for Q&As.

Our close tuition approach of only 10 delegates maximum during session delivery ensures excellent effectiveness for teaching students. Course sessions provide a useful and enjoyable experience and are highly focused on exam success. Our AAT tutors are highly experienced, professional and approachable. Out of hours support is provided for all study queries.

Study material, a question bank of real exam style AAT questions and mock exams are provided with every classroom course. We offer a 100% money back guarantee if not satisfied.
