Customer comments

"A big "THANK YOU" to all of you for the support and the high level of professionalism you have always delivered in your teaching. You are among the very best tutors I have ever had. I will always highly recommend Acorn for CIMA courses."

"Great news (for me!), I can honestly say I would recommend Acorn as a tuition provider in an instance. The notes are first class and really focus on what you need to know to pass the exam".

"Just and note to say thanks I passed T4! Acorn have guided me through the path of exam success!! Having used other larger organisations, without doubt you provided a superior approach to teaching, support, convenience and relaxed surroundings. If it wasn't for Gary, Safina and Tufal I wouldn't have seen the light at the end of this CIMA assessment tunnel! I am now qualified!"

Customer comments

“Just wanted to pass on a few words of thanks for all your help with T4 after passing first time with you. Not only was your level of knowledge about the case study hugely impressive, but this was also reflected in your spot on mock exams which picked up on all of the subjects in the exam, I found the feedback from the mock exams very useful” .

“Being able to email you when I wasn't sure of something was excellent and you always replied very promptly. Also the updates on real life examples throughout was a great bonus and helped me target my diversity marks. I cannot praise you, your teaching style or the learning environment in which you taught enough. Quite frankly you're a legend, and I just want to say a huge thank you”.
