Comments from T4 customers

"Just wanted to pass on a few words of thanks for all your help with T4 after passing first time with Acorn, I found the feedback from the mock exams very useful" .

"Being able to email you when I wasn't sure of something was excellent and you always replied very promptly. Also the updates on real life examples throughout was a great bonus and helped me target my diversity marks. I cannot praise you, your teaching style or the learning environment in which you taught enough. Quite frankly you're a legend, and I just want to say a huge thank you".
