Customer comments

"A big "THANK YOU" to all of you for the support and the high level of professionalism you have always delivered in your teaching. You are among the very best tutors I have ever had. I will always highly recommend Acorn for CIMA courses."

"Great news (for me!), I can honestly say I would recommend Acorn as a tuition provider in an instance. The notes are first class and really focus on what you need to know to pass the exam".

"Just and note to say thanks I passed T4! Acorn have guided me through the path of exam success!! Having used other larger organisations, without doubt you provided a superior approach to teaching, support, convenience and relaxed surroundings. If it wasn't for Gary, Safina and Tufal I wouldn't have seen the light at the end of this CIMA assessment tunnel! I am now qualified!"
